

Items needed to connect water at an address with an existing water tap:

Completed New Service Form

Proof of ownership of property OR a typed lease agreement

Copy of picture ID

Copy of Social Security Card

These items can be emailed to the office by using the following email address:

[info@dcwsa.net](mailto:info@dcwsa.net)

Please allow 24 hours for us to contact you for payment for the connection fee.

Please make sure to include a good phone number so that we may contact you for the payment.

Water will not be connected until the next business day after payment and signed contract is received.
